

## MEMORANDUM

---

**To:** Customers & Vendors of BG Consulting Services, LLC & Serviform America L.P.

**From:** Serviform America L.P.

**Date:** February 12, 2024

**Subject:** Serviform America Acquires BG Consulting Services in Somers, CT

---

Serviform America, a fast-growing leader in the die making and die cutting manufacturing industries in United States and Canada, is excited to announce the successful acquisition of BG Consulting Services in Somers, CT on January 31, 2024.

Mark Doxtader, Serviform America's CEO, shares, *"This strategic move reinforces our commitment to enhance customer experiences and meet the increasing market demand for dependable service, parts, and new innovative machines like the new DieMilla, which replaces the Gerber Profile (<https://www.serviformamerica.com/diemilla>)."*

BG Consulting Services, located at 75 Suncrest Dr. in Somers, CT, will now operate under Serviform America and continue business as BG Consulting Services, maintaining its brand, employees, website, office, service, and parts.

Serviform America will be working closely with existing BG Consulting Services customers and vendors to ensure a smooth transition over the next few months. Mr. Barry Gray will continue to provide excellent services to our customers for the foreseeable future and Ms. Melanie Wilcox will remain your point of contact for any service or parts-related support.

We are very excited about the synergy of these two companies, and the elevated level of service and support our customers and vendors will receive moving forward.

For any inquiries regarding this announcement, please contact the Serviform America corporate office directly at (844) 850-4732 or [info@serviformamerica.com](mailto:info@serviformamerica.com).
